Remarks/Arguments

The Examiner has indicated that Claim 4 contains allowable subject matter. The Applicant has therefore included the subject matter of Claim 4 into independent Claims 1 and 6. Claim 4 has therefore been cancelled.

Claims 2-3 and 5 are dependent from Claim 1 and add further advantageous features. The Applicant submits that these subclaims are patentable as their parent Claim 1.

Claims 7-15 are dependent from Claim 6 and add further advantageous features. The Applicant submits that these subclaims are patentable as their parent Claim 6.

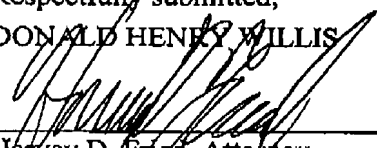

The Applicant therefore submits that this application is now in condition for allowance. A notice to that effect is respectfully solicited.

No fee is believed due with regard to the filing of this amendment. However, if there is a cost for the filing of this response, please charge the fee to Deposit Account No. 07-0832.

Respectfully submitted,

DONALD HENRY WILLIS
